

CIN: U80301MH2012NPL237727

Date: 15th January 2023

Angel Xpress Foundation (AXF) was started in 2012 as a platform for concerned citizens willing to tutor and mentor first-generation learners from slums in their neighbourhoods. As of August 2018, it is a 12 A and 80 G accredited Section 8 NGO where 2400 plus school goers from slums get 200+ hours of lessons in English, Math and Values, led by over 1400 plus volunteers at free learning centers in across 16 locations and 14 nascent centres in Mumbai.

AXF also provides an opportunity to students from privileged backgrounds to become "buddies" of their less privileged peers. The aim is to create a two way learning and sensitization experience for both.

I am happy to confirm that Samika Jain has volunteered at AXF Sewri learning Centre for 42 hours. She has helped our students in teaching Spoken English and Maths.

Her enthusiasm and motivation was very encouraging for students at AXF and I appreciate the contribution made by her towards the organization and development of the children.

Thanking you,

For ANGEL XPRESS FOUNDATION
